

Hayeswood First School

School Council Minutes for 10.1.17

Share the agenda with the team.	Today we are going to consider things we like and could improve around our school and get the pupil questionnaire ready	
	Discussion	Action to be taken.
WAT Anti-Bullying	Eleanor fed back about her meeting at ST Michael's where she was filmed by a Bournemouth University Student on Anti-Bullying. They fed back their ideas about what we do in school to prevent bullying and we look forward to seeing the video.	Non
	Discussion about the library and ICT area was held. The good things and things that could be improved. The children then split into two groups and went for a walk around making notes. (see below)	Mrs Fairman to feed back to Mrs Gerrett
Actions before next meeting	To be rolled over Mrs Fairman gave the councillors a new copy of the children's questionnaire and asked them to complete it with their class ready to bring back to the next meeting. This activity is being repeated as in the rush of Christmas some were not completed and others were misplaced.	Children to speak to their own classes
Actions requested by Mrs Gerrett	None	
Any Other Business	The school council pockets were reviewed and nobody had found any 'tokens' in their pockets	
Next Meeting Date	Tuesday 17th January - E-safety - Miss Bartlett to attend	

Review of school environment - ICT Suite and Library School Council 2017

Good points:

- Decorations are inviting and fun, it makes you want to visit the library
- The labels and signs are clear and easy to read making the Library a useful space in school
- There are enough computers for everyone to use

Improvements:

- The headphones need to be checked and mended
- Library books are sometimes missing labels making it difficult to find them
- The computers have shut down whilst year four were working with a message saying 'no more storage' the children suggested we invest in more storage for the computers
- Displays in the ICT suit are a little bit confusing and not relevant. The children suggested the display was a prompt for what to do when something goes wrong. Eg to print with colour etc
- More non fiction books related to topics we are doing in class
