Dear Parents/Carers,

We are writing to confirm that school will be closed as from the end of the school day today. If you have registered with us as a critical worker, or if your child has been identified as a child with additional care and support needs, you will receive a separate email to confirm ongoing provision for care in school as from Monday 23rd March.

Details of home learning for each class will be available on the school website with effect from Monday 23rd March. All children are asked to follow the routines and suggested learning specified online. To access these pages, just click on school closure on the home page and follow the links from there.

It is a matter of huge regret to me personally that we are needing to close our schools at this time, but reflects the enormously challenging situation we face across the country. Please do continue to contact the school via the usual email address throughout the closure period. Messages for class teachers will be forwarded to them on receipt.

With kind regards,

Mr Turrall
