ICT Responsible Use Policy

Version	1.0
Approving Body	Trust Board
Date ratified	23rd September 2020
Date issued	1st October 2020
Review date	30th September 2023
Owner	Director of Resources
Applies to	All Trust Schools, all Trust staff

Version	Date	Reason
1.0	October 2020	To establish a Trust wide policy

Contents

1.   Introduction

1.1   ICT is provided to support and improve the teaching and learning in our Trust as well as ensuring the smooth operation of our administrative and financial systems.

1.2   This policy sets out our expectations in relation to the use of any computer or other electronic device on our network, including how ICT should be used and accessed within the Trust.

1.3   The policy also provides advice and guidance to our employees on the safe and acceptable use of social media. The acceptable use of ICT will be covered during induction and ongoing training will be provided, as appropriate.

1.4   This policy does not form part of any employee's contract of employment and may be amended at any time, however a breach of this policy is likely to result in disciplinary action.

2.   Scope and purpose

2.1   This policy applies to all employees, Trustees, Academy Committee members, volunteers, visitors and any contractors using our ICT facilities. Ensuring ICT is used correctly and properly and that inappropriate use is avoided is the responsibility of every employee. If you are unsure about any matter or issue relating to this policy you should speak to your line manager, or a senior member of staff.

2.2   The purpose of this policy is to ensure that all employees are clear on the rules and their obligations when using ICT to protect the Trust and its employees from risk.

2.3   Employees may be required to remove internet postings which are deemed to constitute a breach of this policy. Failure to comply with such a request may in itself result in disciplinary action.

2.4   Any failure to comply with this policy may be managed through the disciplinary procedure. A serious breach of this policy may be considered as gross misconduct which could lead to dismissal. If we are required to investigate a breach of this policy you will be required to share relevant password and login details.

2.5   If you reasonably believe that a colleague has breached this policy you should report it without delay to your line manager or a senior member of staff.

3.   Monitoring

3.1   The contents of our ICT resources and communications systems held in whatever media, including information and data held on computer systems, hand-held devices, tablets or other portable or electronic devices and telephones, relating both to the Employer's own educational provision or any pupils, clients, suppliers and other third parties with whom the Employer engages or provides educational provision for, remains our property. Therefore, employees should have no expectation of privacy in any message, files, data, document, facsimile, social media post, blog, conversation or message, or any other kind of information or communication transmitted to, received or printed from, or stored or recorded on our electronic information and communications systems. Do not use our ICT

resources and communications systems for any matter that you wish to be kept private or confidential.

3.2 We may monitor, intercept and review, without notice, employee activities using our ICT resources and communications systems, including but not limited to social media postings and activities, to ensure that our rules are being complied with and are for legitimate business purposes. This might include, without limitation, the monitoring, interception, accessing, recording, disclosing, inspecting, reviewing, retrieving and printing of transactions, messages, communications, postings, log-ins, recordings and other uses of the systems as well as keystroke capturing and other network monitoring technologies.

3.3 We will comply with the requirements of **Data Protection Legislation** (being (i) unless and until the GDPR is no longer directly applicable in the UK, the General Data Protection Regulation ((EU) 2016/679) and any national implementing laws, regulations and secondary legislation, as amended or updated from time to time, in the UK and then (ii) any successor legislation to the GDPR or the Data Protection Act 2018) in the monitoring of our IT resources and communication systems and monitoring undertaken is in line with our Workforce Privacy Notice which sets out how we will gather, process and hold personal data of individuals during their employment. Our Data Protection Policy sets out how we will comply with Data Protection Legislation.

3.4 In line with the requirements of Data Protection Legislation, we may store copies of data or communications accessed as part of monitoring for a period of time after they are created, and may delete such copies from time to time without notice. Records will be kept in accordance with our Data Protection Policy.

4. **Policy rules**

4.1 In using the Trust's ICT resources, the following rules should be adhered to.

4.2 **The network and appropriate use of equipment**

(a) You are permitted to adjust computer settings for comfort and ease of use.

(b) Computer hardware has been provided for use by employees and pupils and is positioned in specific areas. If there is a problem with any equipment or you feel it would be better sited in another position to suit your needs, please contact your school's ICT lead. Only the school's ICT lead should move or adjust network equipment.

(c) Do not disclose your login username and password to anyone (unless directed to do so by a senior manager for monitoring purposes or as stated in clause 2.4).

(d) You are required to change your password in accordance with the login prompts. Ensure that you create appropriate passwords as directed.

(e) Do not allow pupils to access or use your personal logon rights to any school system.

(f) Before leaving a computer, you must log off the network or lock the computer, checking that the logging off procedure is complete before you leave.

(g) Ensure projectors linked to the network are switched off when not in use.

(h) Only software provided by the network may be run on the computers. You should liaise with your school's ICT lead before importing or download applications or games.

(i) You must not use any removable storage devices (RSDs), such as USB pens where you are unsure of the content or origin.

(j) Pupil or staff data, or any other confidential information should not be stored on a RSD.

(k) RSDs should only be used for Trust purposes, outside of our premises where they are encrypted.

4.3 Mobile devices and laptop use

1. (Please also see Appendix 1 – extract from Safeguarding and Child Protection Policy). The following rules are for use of any laptop, electronic tablets, mobile phone or other mobile device used for Trust or school activity, including those provided by the Trust. Referred to as mobile device(s):

(a) Access to our wireless network must be approved by the Trust ICT Team.

(b) You must ensure that your mobile device is password/PIN or biometrically protected.

(c) You must not leave your mobile device in an unsafe place, for example in your car.

(d) You must have appropriate security in place and it must be updated regularly. For instance you should ensure that your device has adequate virus protection.

4.4 Internet safety

(a) Never give out personal information such as your address, telephone number or mobile number over the internet without being sure that the receiver is from a reputable source.

(b) Never give out personal information about a pupil or another employee over the internet without being sure that the request is valid and you have the permission to do so.

(c) Always alert the Trust ICT Team if you view content that makes you feel uncomfortable or you think is unsuitable. Remember that any personal accounts accessed on our network will be subject to monitoring.

(d) Always alert the Trust ICT Team if you receive any messages that make you feel uncomfortable or you think are unsuitable.

4.5 **Internet and email**

(a) The internet and email facilities are provided to support the aims and objectives of the Trust. Both should be used with care and responsibility.

(b) Use of the internet at work must not interfere with the efficient running of the Trust. We reserve the right to remove internet access to any employee at work.

(c) You must only access those services you have been given permission to use.

(d) Before sending an email, you should check it carefully and consider whether the content is appropriate. You should treat emails like you would any other form of formal written communication.

(e) Although the email system is provided for business purposes we understand that employees may on occasion need to send or receive personal emails using their work email address. This should be kept to a minimum and should not affect, or be to the detriment of, you carrying out your role effectively. When sending personal emails from your work email account you should show the same care in terms of content as when sending work-related emails.

(f) The use of email to send or forward messages which are defamatory, obscene or otherwise inappropriate may be dealt with under the disciplinary procedure.

(g) You should not send electronic messages which are impolite, use obscene language, are indecent, abusive, discriminating, racist, homophobic or in any way intended to make the recipient feel uncomfortable. This will be considered under the disciplinary procedure.

(h) If you receive an obscene or defamatory email, whether unwittingly or otherwise and from whatever source, you should not forward it to any other address but you should alert the Trust ICT Team.

(i) Do not access any sites which may contain inappropriate material or facilities, such as:

(i) Unauthorised proxy/VPN

(ii) Dating

(iii) Hacking software

(iv) Pornographic content

(v) Malicious content

(vi) Music downloads

(vii) Non-educational games

(viii) Gambling

(j)   Do not send malicious or inappropriate pictures of children or young people including pupils, or any pornographic images through any email facility. If you are involved in these activities the matter may be referred to the police.

(k)   Under no circumstances, should you view, download, store, distribute or upload any material that is likely to be unsuitable for children or young people. This material includes, but is not limited to pornography, unethical or illegal requests, racism, sexism, homophobia, inappropriate language, or any use which may be likely to cause offence. If you are not sure about this, or come across any such materials you must inform the Trust ICT Team.

(l)   Do not upload or download unauthorised software and attempt to run on a networked computer; in particular hacking software, encryption and virus software.

(m)   Do not use the computer network to gain unauthorised access to any other computer network.

(n)   Do not attempt to spread viruses.

(o)   Do not transmit material subject to copyright or which is protected by trade secret which is forbidden by law.

(p)   Never open attachments of files if you are unsure of their origin; delete these files or report to the Trust ICT Team.

(q)   If you are unsure about whether you have the owner's permission do not download or use any material from the internet.

4.6   **Social networking and use of the chatrooms, community forums and messaging using any device**

        The internet provides unique opportunities to participate in interactive discussions and share information using a wide variety of social media. Employees' use of social media can pose risks to our ability to safeguard children and young people, protect our confidential information and reputation, and can jeopardise our compliance with our legal obligations. This could also be the case during off duty time.

(a)   You should exercise caution when using social networks. You should not communicate with pupils over social network sites. You must block unwanted communications from pupils. You are personally responsible for what you communicate on social media.

(b)   You should never knowingly communicate with pupils in these forums or via personal email account or personal mobile phones.

(c)   You should not interact with any ex-pupil of the Trust who is under 18 on such sites.

(d)   Communication with pupils should only be conducted through our usual channels. This communication should only ever be related to our business.

(e)   You must not post disparaging or defamatory statements about:

(i)   our Schools and Trust;

(ii)   our pupils, parents or carers;

(iii)   our Trustees, Academy Committee members or employees;

(iv)   other affiliates and stakeholders.

(f)   You should avoid communications that might be misconstrued in a way that could damage our reputation, even indirectly.

(g)   You should make it clear in social media postings that you are speaking on your own behalf. Write in the first person and use a personal email address when communicating via social media.

(h)   If you disclose that you are an employee of our Trust, you must also state that your views do not represent those of your employer. You should also ensure that your profile and any content you post are consistent with the professional image you present to pupils and colleagues.

(i)   You must not access social networking sites for personal use via our information systems whilst at work.

(j)   Circulating or posting commercial, personal, religious or political solicitations, or promotion of outside organisations unrelated to our Trust are also prohibited.

(k)   Remember that what you publish might be available to be read widely by others (including us, future employers and acquaintances) for a long time. Keep this in mind before you post content.

4.7   The following acts are prohibited in relation to the use of the ICT systems and will not be tolerated:

(a)   Violating copyright laws

(b)   Attempting to harm minors in any way

(c)   Impersonation of any person or entity, or to falsely state or otherwise misrepresent an affiliation with a person or entity

(d)   Forging headers or otherwise manipulating identifiers in order to disguise the origin of any content transmitted through any internet service

(e)   Uploading, posting, messaging or otherwise transmitting any content without the right to transmit under any law or under contractual or fiduciary relationships (such as inside information, proprietary and confidential information learned or disclosed as part of employment relationships or under nondisclosure agreements)

(f)   Uploading, posting, messaging or otherwise transmitting any content that infringes any patent, trademark, trade secret, copyright or other proprietary rights ("Rights") of any party

(g)   Uploading, posting, messaging or otherwise transmitting any unsolicited or unauthorised advertising, promotional materials, "junk mail", "spam", "chain letters", "pyramid schemes", or any other form of solicitation.

(h)   "Stalking" or otherwise harassing any user or employee

(i)   Collection or storage of personal data about other users

5.   Review of policy

5.1   This policy is reviewed every three years by the Trust unless technological changes warrant a review. We will monitor the application and outcomes of this policy to ensure it is working effectively.

Appendix 1 – extract from Safeguarding and Child Protection Policy 2020

24.2 Online Safety
The breadth of issues classified within online safety is considerable, but can be categorised into three areas of risk:

• Content: being exposed to illegal, inappropriate or harmful material;
• Contact: being subjected to harmful online interaction with other users;
• Conduct: personal online behaviour that increases the likelihood of, or causes, harm.

The Trust and its schools recognise that its pupils will use mobile phones and computers at some time. They are a source of fun, entertainment, communication and education. However, we know that some men, women and young people will use these technologies to harm children. The harm might range from sending hurtful or abusive texts and emails, to enticing children to engage in sexually harmful conversations, behaviours, web cam photography or face-to-face meetings. Cyber-bullying by pupils via emails and texts will be treated as seriously as any other type of bullying and managed through our anti-bullying procedures.

Chatrooms and social networking sites are the most obvious sources of inappropriate and harmful content and behaviour, which pupils are not allowed to access in school. Some pupils will undoubtedly 'chat' on mobiles or social networking sites at home and the school will encourage parents to consider measures to keep their children safe when using social media.

The Trust and each of its schools have an Online Safety Policy that is known to all staff and pupils.

24.3 Filters and monitoring
Wimborne Academy Trust should be doing all that they reasonably can to limit children's exposure to the above risks from the school or college's IT system. As part of this process, Wimborne Academy Trust should ensure their school or college has appropriate filters and monitoring systems in place. Whilst considering their responsibility to safeguard and promote the welfare of children, and provide them with a safe environment in which to learn, Wimborne Academy Trust should consider the age range of their pupils, the number of pupils, how often they access the IT system and the proportionality of costs vs risks. The appropriateness of any filters and monitoring systems are a matter for individual schools and colleges and will be informed in part by the risk assessment required by the Prevent Duty.

The UK Safer Internet Centre has published guidance as to what "appropriate" might look like: (https://www.saferinternet.org.uk/).

Whilst filtering and monitoring are an important part of the online safety picture for schools and colleges to consider, it is only one part. Wimborne Academy Trust should consider a whole school approach to online safety. This will include a clear policy on the use of mobile technology in the school (pg 103 keeping Children safe in education 2020).

Many children have unlimited and unrestricted access to the internet via 3G and 4G in particular and the school and college should carefully consider how this is managed on their premises. Whilst it is essential that Wimborne Academy Trust ensures that

appropriate filters and monitoring systems are in place, they should be careful that "over blocking" does not lead to unreasonable restrictions as to what children can be taught with regard to online teaching and safeguarding.

Staff training: Wimborne Academy Trust should ensure that, as part of the requirement for staff to undergo regularly updated safeguarding training and the requirement to ensure children are taught about safeguarding, including online that online safety training for staff is integrated, aligned and considered as part of the overarching safeguarding approach.

24.4 Information and support.
There is a wealth of information available to support schools and colleges to keep children safe online. The following is not exhaustive but should provide a useful starting point:

● UKCIS. Online Safety in school s and Colleges: Questions for the governing board.
● NSPCC. Provides online advice regarding online safety arrangements.
● South West Grid for Learning. Provides advice on all aspects of a school or colleges online safety arrangements.

24.5 Photography and Images

Most of the people who take or view photographs or videos of children do so for entirely understandable and acceptable reasons. However, some people abuse children through taking or using images, so we must ensure that we have safeguards in place.

To protect pupils, the Trust and its schools will:

● Seek their consent for photographs to be taken or published (for e.g. on our website or in newspapers or publications);
● Seek parental consent;
● Use only the pupil's first name with an image;
● Ensure pupils are appropriately dressed;
● Only use school equipment to make images of children (no personal devices are permitted for this purpose);
● Encourage pupils to tell us if they are worried about any photographs that are taken of them.
