

Year 1 Topic Leaflet Summer 1

Welcome to Colehill

In this Colehill-inspired topic, we will be learning about our wonderful village of Colehill and finding out about Tim Berners-Lee, the British computer scientist inventor of the World Wide Web, who lived in Colehill. We will also learn how Colehill is surrounded by fields and woods, and be able to identify village, factory, farm, forest on an aerial view of Wimborne.

In our English lessons, we will be reading the hilarious retelling of the Three Little Pigs by Jon Scieszka. In this book, the Big Bad Wolf has his chance to tell his side of the story! Using the book as inspiration, we will use drama to retell the story and write a character description for a 'Wanted' poster. We will also be writing instructions for the Green Cross Code as part of PSHE, alongside 'Fake is a Mistake' in Heartsmart, where we'll think about how we don't need to pretend to be something we're not - we're all amazing and unique in different ways. 😊

In Science, we will be observing plants in our local area and writing instructions about how to plant seeds. In Design & Technology, we will be using joining, rolling or folding to make a free standing structure stronger! We will explore whether Shabbat is important to Jewish children in our RE learning. We also hope to enjoy a local walk, and have visitors from the local community.

English	Fiction: The True Story of the Three Little Pigs, The Three Little Pigs (Fairy Tale), Mr Wolf's Pancakes by Jan Fearnley, Michael Recycle by Ellie Bethel Poetry: AA Milne - Now We Are Six Writing: Instruction Writing: Directions around school, Green Cross Code and How to Plant Seeds; Descriptive sentence writing about features in the local area; Re-telling 3 little Pigs drama; Character description - Wanted poster (ICT) Class Reader(s): Claude, Twits		
Science	Observing Plants in our local area	Maths	Calculations multiplication, Calculations division, Fractions, Number & place value to 100, Measurement time
Geography	Coelhill Mapwork and Geographical Patterns	Computing	Planning, creating and debugging a simple algorithm
History	Person within living memory - Tim Berners-Lee (link to computer science), the British computer scientist inventor of the World Wide Web. Lived in Colehill.	RE	Is Shabbat important to Jewish children? Introduction to Judaism
Art	Sketching (plants) Andy Goldsworthy Taking photos	PSHE	Green Cross Code Heartsmart: Fake is a Mistake
DT	Making a free standing structure	PE	Team Building
Music	Charanga - 'Your Imagination'		
Home Learning	Must Dos: Bug Club, reading at home, spellings Optional 'Extras': Sumdog
