TAPESTRY ONLINE LEARNING JOURNEY

Tapestry is an online system of recording your child's learning in Reception. It is a website which can be accessed on a computer or laptop, and also on any Apple or Android device such as a tablet or smartphone.

Instead of using a paper book style of recording, we will be able to upload photos, videos and observations of your children. You can be emailed to alert you that something new has been added to your child's observations. An enormous advantage of this system is that you can add your own comments to entries and you can show your child's online book to extended members of your family when they visit.

The safeguarding of your children is very important to us. Everything that is added to Tapestry will be added to our school account and can only be viewed by the school staff that use the system and also yourself, using your own log on. You will only have access to your child's journal and this cannot be seen by other parents. Also, it is crucial that you do not share photos or videos from your child's journal on any social media or through other online platforms. Any incidents where this confidentiality is broken will be dealt with very seriously and will result in your access to the system being withdrawn.

We think this is an effective system for information sharing between the school and home, and Tapestry have provided the answers to some frequently asked questions which we have attached and hopefully will inform you. The Tapestry website is <http://eyfs.info/tapestry-info/introduction> if you would like further information.

Please do not hesitate to contact us if you have any further queries.
