<b>Any Other Business</b>	Council idea slips. Two were brought to the meeting today. A student from the school has suggested we have some bird tables around school and larger lunch tables. A different student suggested two goals and two football pitches on the playground (this created quite a discussion and the councilors agreed that it would take up too much space and some people would only play football) they did come up with an idea of having a rotation of tennis and netball courts some weeks.
<b>Next Meeting Date</b>	14th March 2017
